26th Annual Home & Garden Show Expands

The Home & Garden Show presented by the Stuart/Martin County Chamber of Commerce will expand to include a display of fine art sponsored by the Visionary School of Arts. The show, also featuring the Martin County Orchid Society, will be held on March 2, 3 and 4 at the Martin County Fairgrounds.

Vendors from across the state will display everything from home products and services, landscaping, interior designs and much more. The fine art section will include a juried exhibition by both established and emerging artists. Guests will be able to shop, win prizes and sample products while also admiring fine art and an exotic garden of orchids.

Sponsorships and exhibitor spaces are still available but going fast for Martin County's Premier Home & Garden Show at the Fairgrounds March 2-4.

Over 5,000 people attended last year's show. Organizers anticipate the area's largest home and garden showcase will attract greater attendance this year.

The Home & Garden Show is open on Friday, March 2 from noon to 5 p.m., Saturday and Sunday from 9 a.m. to 4 p.m. Admission and parking is free.

A limited number of vendor spaces are still available. Exhibitor spaces are \$400 for Chamber members and \$500 for non-members. Sponsorship opportunities are also available. The vendor application deadline is February 17.
